Unexcused absences from or latenesses to any scheduled service are assigned various Grade Reduction Points as defined in the Large Ensemble Attendance and Grading Policy (www.peabody.jhu.edu/1133). Your total accumulation of these points during each semester is used to determine your maximum attainable grade for the ensemble. Other factors which also contribute to your grade include your performance, preparation, contribution to the ensemble, cooperation, and professionalism. Requests for excused absences or latenesses are reviewed by the manager of the ensemble, and must be submitted no later than one week following the date of the absence or lateness. Requests to be excused from any program should be submitted at the beginning of the semester, and under no circumstances less than fourteen (14) days prior to the first rehearsal for that program.
